Karen, Loren & David,

I wanted to thank you for the call today. I was a bit disturbed to learn that I have not received the September 30th the letter from headquarters rejecting our fee waiver and that I nevertheless have three days to respond to something I have not yet seen.

However that said, I was very appreciative of your effort to follow-up with me, address this problem by emailing me the letter, and thank you for the general openness and congeniality of the discussion. The conversation was very helpful.

It is also worrisome to know you had not seen my email inquiring about the status of the decision letter from Headquarters. Below forwarded is that October 14th email. As you can see I refer directly to our conversation about the fee waiver rejection.

I hope this helps.

Thanks again for the call,

Saul Bloom

Hello Nicole,

I had a good conversation with Karen and David a couple of weeks ago on the FOIA. They were quite helpful and I was glad to be able to reduce the scope of their search. Karen told me I would be hearing from headquarters regarding its decision on the fee waiver but nothing has come so far and EPA is well beyond the 20 days required for a response. I would appreciate some clarity as to when I can expect a formal response. The easiest thing is for either you or your colleagues to respond via email as I will be out tomorrow all day and in and out most of the rest of the week.
